“Everything is up in the air and loose on the ground.” ~ Peter Steinke

*Liminal Space*

Everything you see has its roots in the unseen world.  
The forms may change, yet the essence remains the same.  
Every wonderful sight will vanish, every sweet word will fade,  
But to not be disheartened,  
The source they come from is eternal, growing,  
Branching out, giving new life and new joy.  
Why do you weep?  
The source is within you  
And the whole world is springing up from it.  
~ Rumi ~
