

Unity Worldwide Ministries/Unity Worldwide Spiritual Institute recently completed a review of the SEE program. As you can see, starting Fall 2022 there will be adjustments to what courses are offered, and when.

Unity Canada will begin a more regular SEE course schedule in 2023, which complements the courses offered by UWSI. Please contact me at courses@unitycanada.org if you have questions or want to talk about credentialled paths.

***SEE Plan:** We believe in creating a successful and powerful educational experience for our students, and providing an accessible, innovative academic connection all while imparting Unity teachings.*
