

## VISION & MISSION STATEMENTS

### **Vision**

A world powerfully transformed through the growing movement of shared spiritual awakening.

### **Mission**

We provide education support, spiritual community development resources and opportunities for connection.

#### **Education Support**

We provide opportunities for personal spiritual enrichment and training to support individuals and emerging Unity leaders.

#### **Spiritual Community Development**

We provide resources, training and consultancy to empower our spiritual communities.

#### **Opportunities for Connection**

We bring together our members to cultivate a coast-to-coast community.

## CORE VALUES

### **Generosity** – Swimming in the flow of Universal Abundance

- we embrace generosity of spirit, treating all with kindness and respect
- we enthusiastically share resources of time, information, skills/talents, and money
- we engage the Law of Circulation, giving freely without expectation

### **Inclusivity** – Welcoming and honouring all expressions of the Divine

- we listen deeply, seeking to understand
- we actively collaborate and lift up the collective wisdom of the whole
- we promote initiatives that build bridges of understanding, healing, and oneness

### **Creativity** – Embracing the beginner's mind

- we remain flexible and open to ideas
- we experiment with new ideas, take risks & learn from successes and failures
- we consistently engage in visioning, building an expansive awareness of what is
