

**2022-2023 Board of Director's
Renewed Commitment to Core Values + Action**

October 2022

- **GENEROSITY** – swimming in the flow of Universal Abundance
 - We embrace generosity of spirit, treating all with kindness and respect
 - We enthusiastically share resources of time, information, skills/talents, and money
 - We engage the Law of Circulation, giving freely without expectation

- **INCLUSIVITY** – welcoming & honouring all expressions of the Divine
 - We listen deeply, seeking to understand
 - We actively support social justice initiatives
 - We promote initiatives that build bridges of understanding, healing and oneness

- **CREATIVITY** – embracing the beginner's mind
 - We remain flexible and open to ideas
 - We experiment with new ideas, take risks & learn from successes and failures
 - We consistently engage in visioning, building an expansive awareness of what is
 - We actively collaborate and lift up the collective wisdom of the whole

You are most welcome to adopt or adapt as you re-examine your own core values.
